

Tour #1: Upstate Model Railroaders Club and Dunham Studios
Sunday, June 25, 9:00 AM – 4:00 PM

Tour Price: \$59

UPSTATE MODEL RAILROADERS CLUB AND DUNHAM STUDIOS

UPSTATE MODEL RAILROADERS CLUB, located in South Glens Falls, NY, the club occupies 2700 square feet of model railroad fun with 6 detailed operating layouts in G, HO, N, O, S, and Z scales. Club members run trains using everything from legacy power and controls to the latest digital command control systems.

In addition, the club has traveling modular layouts in every scale, as well as a mobile G scale, double track layout, on a flatbed trailer, which allows us to

run trains while being towed in parades. We participate in as many indoor and outdoor public events as possible throughout the year, delighting adults and children of all ages, promoting the club and fostering interest in model railroading.

Venue Website: <https://www.upstatemodelrailroaders.com/>

One way driving time (from hotel): 1 hour 59 minutes (93 miles)

DUNHAM STUDIOS has built model railroads that are famous for their high standards of excellence in custom model railroad design and construction. Though now retired, we can still visit their workshop with several examples of layouts that they have built. You may also pick up some custom-built “one-of-a-kind” structures and scenery supplies.
