CHAMPLAIN VALLEY DINNER TRAIN

Rediscover the romance of the rails on board a relaxing three-hour round-trip dinner train from Burlington to Middlebury. Enjoy a three-course gourmet dinner created on board our kitchen car while the beautiful Vermont landscape rolls by your window. Reconnect with friends and family and make memories to cherish forever!

The railroad has a beautiful fleet and more than 10 rail cars that were built between 1931 and 1937. Most of their cars have had their interiors restored and altered for more modern uses. The variety of dining cars, coaches, lounge cars, and our private business car make the perfect location for weddings, corporate events, private charters, and more!
